By signing this form the team agrees to defend and indemnify the O.I.S.A. against any claim made by a snowboarder, parent or volunteer against the team, team leader, team coach, parent or volunteer and/or the O.I.S.A. concerning the alleged negligent, tortuous or otherwise unlawful conduct of any such persons or individuals.

Pre-Season Academic Eligibility Forms Due December 1st, 6:00pm

Mid-Season Academic Eligibility Form Due February 13th, 6:00pm

Please submit these forms to your league president

REQUIRED INSURANCE DOCUMENTATION

All participating school teams and clubs, represented by either team or individual, are required to submit a binder of Liability Insurance Coverage as follows:

TEAMS COVERED BY LEARNING FOR LIFE OR BOY SCOUTS

If you are insured through Learning for Life or the Boy Scouts of America, please contact your local Council office to complete the necessary paperwork. Please have your local office submit the necessary insurance documentation to the O.I.S.A.

All teams **MUST** submit a copy of a “Certificate of Insurance” providing coverage for their team/club for a minimum \$2 million policy listing each individual resort (Mt. Hood Meadows, Timberline, Ski Bowl, etc.) and the O.I.S.A.

The additionally insured statement must read:

“THE O.I.S.A. IS ADDITIONALLY INSURED FOR THE STATE HIGH SCHOOL SNOWBOARD CHAMPIONSHIPS ON MARCH 5th, 6th, AND 7th, 2009.”

Your insurance provider will need to create a statement for each resort. Please note that this statement is **not** a copy of your liability insurance policy, but is a statement that is available from your insurance provider.

The wording on the statements **MUST** name the ski areas as *Additionally Insured*, and be worded exactly as outlined by each individual resort. In the certificate’s “Description of Operation,” the correct wording—as determined by each resort—must be provided. For questions, please contact the individual resort’s administrators.

Regarding School Boundaries

Riders can join a team:

- If they attend the school that has a team or
- If they live in the school's boundaries that has a team. This second point applies to students who are home schooled or attend charter or private schools, but live in the boundary of a school with an existing team.

If a rider's school doesn't have a team and if the rider also doesn't live in the boundary of a school that does have a team, that rider can start a team and represent their school.

Riders can train wherever they'd like. There are no restrictions. But when they compete, they need to represent their school, even if the team is a team of one.

We have this team formation policy to encourage the establishment and development of new teams. Riders may train with another team because it would be cost prohibitive to hire a coach, get transportation, etc. for a small team. On competition days these riders represent for their own team.
